Please Note:

Rehearsals are required and a grade assigned for concert festival rehearsals and spring concert rehearsals. Solo and Ensemble practices are optional. Performances are mandatory and a test grade will be given. Conflicts such as doctor/dentist appointments, work schedules, or other avoidable scheduling problems should be avoided during required rehearsals. School related activities such as spring sports should be communicated to be well in advanced. I always try to work out a reasonable sharing plan with coaches regarding sport practices and band practices. I do not want to be informed of you missing a required rehearsal on the day of rehearsal due to another practice or game. Students playing baseball games, track meets, tennis matches etc... will be excused from band rehearsals but I want your schedule of games/meets ahead of time. Sometimes, scheduling conflicts can be worked out ahead of time.
